

Indianapolis *Gregory A. Ballard, Mayor*

**REBUILDINDY**

Department of Public Works

1200 MADISON AVE., SUITE 200  
INDIANAPOLIS, IN 46225

October 15, 2010

Below are anticipated construction activities for the week of 10/18/2010.

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**

### **Center Township**

Brick paver replacement will occur at Market Street and Capitol Avenue. 10th Street and Miley Avenue will remain closed for sanitary sewer construction. Lane restrictions on Lafayette Road will be in effect from 16th Street to Cold Springs Road for sewer construction. Lane restrictions along Merrill Street will be in effect as ADA ramps, curbs, and sidewalks are replaced.

Contractors will be milling and repaving the following streets during the overnight hours. Expect lane closures while construction is taking place and restricted parking during the daytime hours.

- Maryland Street from West Street to Washington Street
- Washington Street from New Jersey Street to College Avenue
- New York Street from West Street to College Avenue
- Vermont Street from Meridian Street to Pennsylvania Street
- Pennsylvania Street from McCarty Street to Washington Street (Daytime Work)
- Oriental Street from Michigan Street to 10th Street (Daytime Work)

In addition to street repaving, contractors will be making repairs to concrete curbs and sidewalks along the streets listed below. Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities.

- Pennsylvania Street from McCarty Street to Washington Street
- Meridian Street from South Street to Washington Street
- Illinois Street from McCarty Street to Washington Street
- Ohio Street from East Street to College Avenue
- East Street from Washington Street to Ohio Street

### **Georgia Street**

Utility relocations are currently ongoing in anticipation of 2011 reconstruction of Georgia Street. Work is now concentrated between Capital Avenue and Pennsylvania Street. Relocations are currently taking place along both edges of the roadway. Lane restrictions are in place and at times pedestrian traffic will be detoured. Work schedules are being adjusted to accommodate

the Future Farmers of America (FFA) convention. For more detailed information, please visit the Georgia Street Project web page at [www.indy.gov/dpw](http://www.indy.gov/dpw).

### **Cultural Trail**

Contractors will be resurfacing the following roadways in anticipation of final pavement markings. Construction will take place during the daytime hours, and minor lane restrictions are to be expected.

- Along New Jersey Street south of Walnut Street, including the intersection
- The intersection of East Street and Walnut Street
- Walnut Street west of Park Avenue
- The intersection of Massachusetts Avenue and Park Avenue
- College Avenue beginning south of the Massachusetts/St. Clair Street intersection, ending just north of the intersection

Construction is currently underway to install underground storm sewers in advance of Cultural Trail work at the following locations. Work will take place during the daytime hours and minor lane restrictions are to be expected.

- Alabama Street from Market Street to Washington Street
- Capitol Avenue from Washington Street to Maryland Street

Work is underway to replace ADA ramps, concrete sidewalk and curb on the following streets. In addition, contractors will be repaving the roadway on the following streets. Work is scheduled to take place during the daytime hours with minor lane restrictions in the immediate construction area in the following locations.

### **Pike Township**

Spot repairs and repaving will occur on Guion Road from 38th Street to 56th Street.

### **Warren Township**

Storm sewer installation will occur on Irwin Avenue, south of 42nd Street.

### **Washington Township**

Sanitary sewer installation will occur along Knollton Road north of Weslynn Drive and it will continue in the vicinity of 56th Street and Grandview Drive. The intersections of 56th Street and Grandview Drive and Fox Hill and Grandview Drive will be closed at various times.

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**
